

## Patricia Jane Barnett

August 6, 1950 - October 18, 2016

Patricia Jane Barnett age 66 passed away peacefully October 19, 2016. She was the daughter of George W. Davis & Toni Mae Hayes born August 6, 1950. Her surviving siblings Sue Hatter & George W. Davis, Jr will deeply miss their little sister. Patricia will be reunited with her twin brother Jerry Davis that I know will make her complete again.

Patricia was blessed with two daughters, Billie Jean & Jennie Barnett that she worked hard to provide for, protected them and built her world around them. She enjoyed the role of being a mother so much. When she became a grandparent of seven grandchildren and five great grandchildren she embraced them with all of her heart. She shared her love of the outdoors gardening, hunting, fishing and swimming to show them the beauty of their world. When the days became dark is when she shared the things she perfected cooking, baking, sewing and crocheting, making beautiful things that kept them warm and secure and cooking with every dish having the main ingredient of love.

A memorial service will be 10:00 am October 28 at McCalla Memorial Funeral Home. We can all come together to say goodbye to another new beginning for Patricia that our Heavenly Father has planned for her. A beautiful beginning where she can do all the things that she loved and enjoyed and be with the ones that loved and missed dearly.
