“ I can honestly say, that to hear the name Pat Cochran has always brought a smile to my face. She had a kindness about her that put others at ease. I will forever be thankful for the confidence that she instilled in my child, meeting her right where she was, accepting each of her students as uniquely gifted. The fact that she welcomed a rabbit as a class pet back in the day that such things were allowed spoke volumes to her good nature and patience! My heart is saddened to hear of her passing. The world was made better by her presence in it.
