“ *I didn't say goodbye because I will see you again. We lost touch with each other over the past few years due to our babies and distance. I feel if we had talked to each other we would have picked up as if there had been no time lost. I have so many good memories of us talking, walking (lol) and even all the parties we were at together!!! I feel like you were part of my family as I was part of yours. The first and last time I saw your precious little baby boy and you put him in my arms I knew then you were going to be the BEST Mom a baby could have and you were. You and Ronnie were so much in LOVE and it showed, I will miss you with all my heart but someday I will see you again and get my hug I missed out on. I Love You Patti, you will always be one of my BEST friends. ALWAYS.....PATSY HERRINGTON BALLARD*

Sista, I am so glad God made us sisters. I'm glad he gave us 51 yrs together, you are in my heart every day. First thing I think of when I wake up is you. Now, instead of, how are you feeling today, it's Patti is pain free and doing great. You are with our God Almighty and family & friends, so, I know you are not alone. R.I.P my dear Sista, I know I will see you again when the good Lord is ready.
