“ God saw you getting tired  
and a cure was not to be  
so he put his arms around you  
and whispered,  
"Come to Me"

*With tearful eyes we watched you  
and saw you pass away  
and although we love you dearly  
we could not make you stay.*

*A Golden heart stopped beating  
hard working hands at rest.  
God broke our hearts to prove to us  
He only takes the best.  
RIP PETE...you'll be miss.

“ To the best grandfather that anyone could ever ask for in this world, I miss you so very much already I wish that you was still here with us. I was not ready for the good lord to take you just yet but I guess that he decided that bit was your time but at least I know that you are in heaven with nanny and both your mom and dad. I love you with all my heart and I will make sure that all the kids remember you including your new great-grandchild, I know that you and nanny both are looking over all of us and I know you said that you wanted me to have a boy but maybe you and nanny can pick me out a beautiful baby girl.. I miss you so much and wish that you was still here. I know that it is going to be a hard time getting through this but I will try to be strong for you because everyone else needs it. I love you with all my heart poppy, but at least now you can walk again and won't hurt ever again. Rest in peace and again I miss and I love you. Lots of hugs and kisses your baby girl krista!!! Craton and Bentley will miss you to but I will always make sure that they know just how much you loved them. And I am glad you approved of my decision to marry Coty because it took a minute and then he grew on you and not long ago you was telling me that you really liked him and loved him and I promise he loves you too. With love from all of our hearts Krista, Coty, Craton and Bentley! You will be missed dearly....
