“ Dear Larissa and Family,

No words can express my sorrow or lessen your pain with the loss of such a strong willed, kind hearted & gentle soul I've come to know as my friend, Phillip. All of us that have been fortunate to meet him through the years have been better people for knowing him! We will miss his friendship, his caring generosity and especially his unique sense of humor.

Our thoughts & prayers go out to you ~ his beautiful wife, wonderful siblings and precious parents. He has always spoken very highly of his family then and now and have always brought joy to his conversations.

We will miss you Phillip, may you find peace and the rest you deserve.
