“ Sweetest lady, always happy to hear from me and always asked about my family. I knew her all the way back to the 50s when Hank and I went to Arlington School. Rest in peace sweet lady.

“ Awwww.....what an abundant life she had! Gosh I never met her personally but I feel like I've known her for so long through my buddy and her son Taylor & his family. How blessed this family is to have had the Matriarch, the angel love of their bunch for this many years. Many of us don't get even half of that! Much love to you all!
