“ So sorry for your loss. Your in our thoughts and prayers. So glad we had a chance to sit down and catch up with things with Randy back in 2010. It was really great to see him. I, Donna have a lot of good memories of Randy while in the band together in High School.

“ Randy was married to my aunt Melissa! He was so cool to be around to an 8 yr old. He has the first "fancy" computer I've ever used. They would let me use their computer while they went out to eat and I would eat all the chips and chocolate out of their pantry. They never said anything at all to me. They are both gone now and I'd love to be able to just ask them if they remembered missing any junk food!

I remember spending the night with them every chance I got and sleeping on sofa cushions in their bedroom floor so I could watch MASH with them!

I had the privilege of writing Melissa's obituary and thought so much of Randy and even tried to track him down.

Many prayers going out to the family during this sad time!
