“ That look you would give me when you didn't agree with what I was doing but loved me enough to love me and let me make my own mistakes no matter what and just say I Love You and you wouldn't let anyone say anything to me about it The best REAL friend I have ever had. You showed me what a sister's love looks like. Love you forever. Mike says no one will ever come close to his female equal in attitude and heart.

“ Where do I begin.....I met RayeAnn when she was only 18 months old. Brenda asked me if I could babysit her and Paul. Since she was able to talk she has called me Uncle Jimmy....I was the person that drove the truck for them when they moved to Alabama. every time I went through McCalla I made sure I tried to stop in and see her and Bambi. I will always love her and remember her. good bye baby girl... love ya.
