“ Rita was one of a kind. She always put others ahead of herself. She was a very fun person to be around. She always had a smile on her face even at times when she had nothing to smile about. She always found away to push through and fight anything that stood in her way. We will all continue to ask God why he took her so soon but he needed her more than we did. I know that she is having a joyful time in heaven with all her friends and family that went before her. Rita tell my mom how much we miss her and love her and we will see you all again soon. Rita will be forever missed. We love you and miss you so much. Love Jimmy , April, Dallas, Dakota, Cheyenne, Jerad, and Austyn.
