“ To the family of Mike: Our thoughts and prayers are with you Deborah and all of the family during this time and the days ahead. Mike was a good friend of ours as well as a good customer of Jack's when he was running the store. Also, the times he would come by and sit out front singing and playing his guitar and others would stop by and join him. Some good times were shared. He will be missed. We will be praying for all of you. Jack and Gail Massey.
