“ Steve was a great man. From Lake Mead trips, to Long Beach Grand Prix, Nascar in Fontucky, to just plain debauchery, he was always fun. Steve had an excellent sense of humor and immense humility. I am lucky to have known him and his massive personality. Hopefully he and Pat are out on the lake now...
Lock and load, Fellas.

Bless you, Susan.##imported-begin##Chris Beighley##imported-end##

“ Steve...

Where do we begin? You are such an awesome person. We are so glad that we are family...but more than that, we were friends. Whether it was family functions, boating, socializing, or just spending time...it was so much more fun because you were there. Until we meet again...we will miss you, and will forever love you.

With much Love,

“ Steve was a wonderful husband, father, grandfather and friend.
I miss him so much and he will always be in my heart.
I miss his laughter and how he made everyone feel special.
There won't be a day that goes by that I won't think of him.
I miss him, I love him and he went way to soon.

I Love You Honey!!
