

Roger Dale Bradford

January 3, 1968 - March 4, 2025

Roger Bradford, a man of laughter, love, and unwavering devotion, passed away, leaving behind a legacy of joy and kindness. He was a man who found happiness in life's simplest pleasures—whether it was teeing off on a golf course, watching an auburn football game or experiencing the magic of Disney.

Above all, Roger's greatest joy in life was his three beautiful daughters, Anna, Kristin, and Kelsey. They were the light of his life, and his love for them was boundless. He took immense pride in their accomplishments, cherished every moment spent with them, and never missed an opportunity to remind them just how deeply he loved them. Roger's sense of humor was one of his defining traits. He had a knack for making people laugh, brightening even the dullest of days with his quick wit and infectious spirit. Whether sharing a funny story or cracking a joke at just the right time, he brought joy to those around him.

As a Christian man, Roger lived his faith through his actions—offering kindness, lending a helping hand, and being a source of strength and encouragement to his community. Roger believed wholeheartedly in Psalm 139:16 “all the days ordained for me were written in your book before one of them came to be.”

Roger's absence leaves a void in the hearts of those who knew and loved him, but his memory will live on in the laughter he shared, the lessons he imparted, and the love he gave so freely. While he may no longer walk among

us, his spirit remains— in the echoes of laughter and in the hearts of his beloved daughters.

Roger is preceded in death by his father, Jack Bradford, his stepfather Norman Looney and his grandparents. Roger is survived by his mother Judy Looney, his daughters Anna Jones (Rusty), Kelsey Roy (Chris), Kristin Bradford (Doug), and his grandchildren Grayson and Eloise.

Rest easy daddy. You were deeply loved and will be dearly missed. Until we see you again. Love your girls- Anna, Kristin and Kelsey.

“ You will be truly missed my dear cousin. Your infectious smile and your funny raw humor. You were definitely one of a kind.. I will cherish all of our memories, especially the ones growing up. I remember that time you had that little Toyota car and I was with you and we were headed back to my house and you had just got your sunroof Replaced that very same day and we were going down the road and you went to open up the sunroof and we hit a dip in the road as you were pushing up on the sunroof and you popped it out and it shattered all over the road. I know you had to have been so mad, but you handled it so well and you just looked at the little girl beside you and smiled. There's not a memory I have of you where you weren't being a clown and making funny jokes or saying funny things. You always were the life of the party. Heaven has gained another good man. Fly high with your angel wings. Every life you have touched here or made laugh will truly miss you. I am honored to have been able to call you my cousin. You were taken to soon. You are truly loved Roger Dodger and will be truly missed. I will see you again some day. Until then R.I.P. my cousin. I love you Roger Bradford.

“ Having had the privilege of working alongside my dear friend and coworker for years—sharing an office and seeing him almost daily—I not only learned a great deal about our work, but also about life. Roger was a man of great character, dedication, and kindness. He had an infectious smile and a sense of humor that could keep a room in laughter for half an hour. I will always cherish that laughter and the little things that made him uniquely Roger—his commitment to his "salad kick" that lasted for months, the perpetual search for his misplaced glasses, his love for Atomic FireBall jawbreakers, and his passion for sports, which he could and would talk about with anyone willing to listen. My friend will be immensely missed by many and I don't think a day will pass without his name being mentioned in our office. Rest well my buddy!
