“ Roger and I were members of the McAdory Singers. In 1978, he invited me to church at Dologna Baptist Church to sing with him. I was 15 and had not accepted Christ as my savior. I started going every week after that and on January 7, 1979, I was saved in that little church. If it had not been for Roger's persistence I probably wouldn't have gone to church let alone gotten saved. Through his friendship I was blessed with the gift of a personal relationship with Christ. I don't know if I ever thanked him for what he did and meant to me. I know I will see him again and tell him what he did for me. My thoughts and prayers are with his family. He will be missed.

“ I grew up with Roger at Bellview Baptist Church. His family was always at every service and function that the church had. They were always very Christian and would help anybody anytime. The whole family was very loving and friendly. I moved away for many years and moved back in 2002. Started going to a little church named Heavens Highway and Roger was the song leader at that church. It made me feel at home. He and his wife Beverly was one of the nicest most religious couples you could ever meet. His son Jeremy is really well mannered and I could tell that he loved his parents the way that he should. Roger will be greatly missed and heaven gained an Angel when he passed. I truly believe that with all my heart. God needed him in heaven more than he was needed on earth. My heart aches but I know God has great plans for Roger in heaven. He leaves behind a lot of broken but joyous hearts because he is Home now. I feel honored to have grown up with Roger and then be reunited later in life. I will miss you enormously and loved you and your family. I know God has great plans for you! 🙏💕🙏💕🙏
