“ Linda and Breck,

Your Mom was so fortunate to be able to stay with you these last few years. It was always nice to see her out walking, smiling, enjoying the sunshine on her face, and watching the birds from the back deck. She is at peace now and I hope you are able to find peace of mind knowing she was surrounded by family until her journey ended.

*Deepest sympathies to all of your family during this difficult time.
Rest in peace Sara.*

*Sincerely,
The Weavers*

“ You will always be remembered for your kindness and the love and affection you showed to your parents. Your children were lucky to have you as their mother. I will never forget your playful nature with them, how you all laughed together was so special. You are a special lady and we will miss you dearly.

Love always,
Dooter and Sharon
