“ *The best memory I have of Aunt Sarah is the time she used to pick me up after school when I was in high school and we would go to her house and she had a cabinet full of sweets and chocolates for me she knew I loved chocolate, I always loved to here the story of the time when I was 2 and she took me to the mall in a shoe store and I picked up a pair of red high heel shoes and cried because they were too big for me and she said I wanted those shoes really bad. Aunt Sarah was truly a godly woman loved by so many I loved her dearly and will certainly miss her.*
