“ *Gosh, There are so many memories but one that stands out is we were over at Jesse Holt's house playing video games. You two were very competitive when it came to Mortal Kombat and I having never played the game wanted to see what the hype was all about. Well after just hitting a bunch of buttons i was beating y'all at your own game. The expressions on both of your faces were priceless. Another memory was chasing Kim's ferret around the house trying to catch it, that was a quick ferret! You were my first love, young love. So many memories. I hope you Rest in peace, Shaun.*

“ *Shaun was my 1st real boyfriend when we were young (like 12yrs old). I just remember him being the 1st boy I really started noticing. We courted only for a few weeks and were so nervous just to hold hands! :-)*

“ *My big brother.... My Irish twin... My protector..... I have not stopped seeing butterflies since I asked you to send them to me, so I know you hear me... You have made your presence known, not just by that, but with signs, & symbols every step I've taken since your passing. It feels my heart. I thought I would feel endless emptiness, but I feel more whole than ever before. Your smiling and shining down on us as you hold the lords hand, & I can't wait until the day I join you and hold his other.... You will always be the great love of my life, Oh Brother of mine. Hugs, granted wishes, & butterfly kisses always always always. LOVE YOU INFINITELY!!!!*

“ Shawn, my nephew, i have always loved u and always will. I remember u while u were small but never got the chance to know u as a man, but i remember u had a heart of gold and u cant change a heart. do u remember the times we went fishing, and the times u, Holly Heather, Carey and Kim ate a whole bunch of muscudines and u all got sick, but u spent the night with me and i fixed u guys breakfast the next morning and u all were too sick to eat. Do u remember the time that we lived 2 doors down from u and Jeff took off the roof and it rained that night and we had water coming threw the ceiling, u had spent the night with me that night and at the time it wasnt fun, but now looking back it was sooo funny. I really loved u then and my love for u never changed, u were always funny, intelligent, curious, loving and these qualities u got from ur mother, she taught u so much in ur life and now u are looking down from heaven in such a beautiful place. I never told u how proud i am to have u as my nephew but now ur probably seeing what's in my heart.

I am so glad ur mom taught u and brought u up in a Christian home, although we dont always make the right choices, we still have God in our hearts, we are only human not perfect, but now u are PERFECT AND WITH THE LORD! Praise God! I love u and will definitely miss u but will be talking to u soon, i know i have u as my precious nephew angel looking down on me. Rest in peace love!
