“ Denise was a very dear close friend of mine and we talked lots. The last message I got from her and I will not erase it was come see me I love you my friend. She was a great woman with many talents and we met at Lipscomb church of God. She will truly be missed. I just started a new job so I don't know if I will get to be at the service or not but sure hope I can work it out. My prayers are with you and the kids.
