March 5, 1979 - July 29, 2020

Sonya "Nikki" Webb, 41, of Hueytown, AL, went to be with the Lord on July 29, 2020.

She used this gift to bless her community through one of Union Hill's hospitality teams.

“ I got a new job and graduate with my BSW May 8. Stinks you won't be here to celebrate with me, but I know you are watching over me. Love and miss you so bad it hurts.

“ It's been a little over a week, and I miss you terribly. Choosing to remember all the good times, and I will keep your memory alive. I will make sure Malachi knows how much you loved him and how much you did for him. So thankful for all the time we had here on this earth. Can't wait to be reunited with you in Heaven one day. <3 Love you BIG forever.

“ Where do I begin? You were and will always be my guardian angel. You have stood by my side through some of my lowest moments in life. You’ve picked me up, dusted me off and encouraged me to never let anyone steal my smile. With all the money in the world, I couldn’t even begin to repay you for the love you’ve shown me. You are one of the most selfless people I have ever known, your generosity and compassion are unmatched by any human. I pray for your family, as I couldn’t fathom the pain they are feeling today and will feel for days to come. My own pain feels like the weight of 1,000 men laying on my chest.

My fondest memories shared with you are as simple as doing vibrant/rainbow hair in the middle of my kitchen, as my children laughed and played around us. Although your hair was never short of BOLD, it was never quite as bright or quite as breathtaking as your own internal beauty! You just can’t bottle that kind of beautiful... or recreate it. You were absolutely one of a kind & I will never let your memory fade from my children’s minds. Thank you again for everything. I love you, Nikki.

“ *I first met Nikki when I was looking for a bar tender for a friend who has a Halloween party every year. Nikki was recommended and once I found out she worked at Harry and Billie's at the time. I knew she would be perfect. She became instant family that first party she worked in 2013. Anytime there was a special eve6Nikki was the one we called to bartend. Her personality fit right in with the rest of at these parties. Her smile and her laugh was so contagious. She always made you smile or laugh even when you didn't want to. Her heart was so big. Heaven gained a beautiful soul. You will be missed.*

“ I have many fond memories of my friend Nikki, so I would like to share one with you. We first met when she walked through the doors at SCI to apply for the position of receptionist/office work. During her time there we got to be pretty good friends. Her heart was huge and always had a kind word full of love and encouragement. When I retired she spent the time to make me a wish/encouragement jar filled with little notes of all kinds. There were 365 notes in that jar one for every day of the coming year. She even decorated it really cute. I still have that jar, and will cherish it. We stayed in touch even after I retired, I believe I was like a second mother to her. I will truly miss her and my heart aches for her friends and family as well as all the people whose lives she touched in some way. I love you Nikki, may you find the peace that you were searching for.

“ Nikki was my first friend I made at Mcadory. We used to skip school together until we got caught. I'll never forget you doing your hair and make up before school while listening to Snow;Informer. Those were the days. I'll never forget your smile and laugh. You always made others smile, even when some of us didn't want to. Gone but NEVER forgotten.

“ I'll always remember you at Halloween. When the Gouls come out and the drinks are flowing. I enjoyed sitting up there and talking with you every year. Sorry to see you leave us. Love you Nikki
