“ *Soomaria someone I cherished an loved with all my heart an soul passed away. I will never quite get over her cause that's how much of impression she made on my life. She was my Guardian Angel I feel at my lowest point in my life that God sent me. She may not be here with me anymore but I will always have all her greatest memories she left behind with me deep down in my heart. I will slowly start too learn how too go on without her in my life. But I will always have them tucked safely deep down in my heart. I want too thank her for bringing all the joy she did to my heart. The beauty to my world an love to my life.*

She always new how to make me feel special about my myself even when I didn't an My life became very special when she entered my world. Soomaria would lite up any room she ever walked in that's how special of a lady she was too everyone she ever meet! She had a heart of gold an will truly be missed. I will be lost for a long time with out her in my life. I had never ever had a true friend like she was too me in my whole life. I thought that was sad for a while but then I realized I was truly blessed by God an would have waited again my whole life too just have that 1 friend he allowed me too meet all over again. Because the friendship I was honored too have been given with her was worth it that's why my heart is in a million pieces cause I want ever have someone like her too bless my life like she did. She was 1 of a kind and can never ever be replaced I love you Soomaria my sweet Sunshine an Angel that I was so honored too have blessed my life the way she did. I will always miss you!!

*Love you with all my heart an soul,
Your friend Jackie*
