“ My condolences to the family. He will be very missed. I thought he was something else, very kind person. Saw me in pain one day and jumped right in and massaged it away. He was a wonderful influence on Chris and also my grandson Nievik. May he rest in peace, and the family takes comfort in knowing he is an angel watching over all of us. Debra Schatz

“ I am very thankful that I got to know and love such a wonderful man. And thank the lord I got to talk with him face to face and give him a hug for one last time. He always knew how to brighten your day and make you smile.

Now he's smiling down on us, he is able to watch everybody at the same time now. Roaming free in his spiritual world. " That's good, Ain't it! " Truly love and miss you to no end Granddad!
