“ I met Tammy when she was 18 after Graduating and finding her way in the World. She Married and had her Children, after the loss of her husband she met Butch and they became one in love and her life was truly changed in good ways. We never lost each other such a wonderful Friend and Family member. I have been so Blessed as Tammy and Butch moved to Ragland. We could talk about anything and she just wanted to live her life to the fullest. I will Never forget Our bond. You're my Sister and you'll Never be forget. Love you ❤️ Kathy.
