“ *Hey Deddy. I'm missing you extra today. It's almost been a year and it feels like it's been 2 weeks. I don't go a single day without thinking about you. Miss you and love you.*

“ *I have so many memories of "Treybo" it's hard to choose just one. One of my favorites is watching you and my Dad, your Uncle Arnold in the back yard at our house in Tarrant. Daddy had that old pick up truck in the backyard, you would sit in his lap and drive up and down our yard. I don't think you ever got tired. Rest In Peace sweet cousin, give everyone a hug and kiss for me. I'll see you again one day, love you!*

“ I’ve got so many memories with you it’s unreal. You was a big part of my life in high school and right after. But after I moved we kinda grew apart after Pop passed away I really regret that now. I know I’m really going to miss you

Love,  
Tyler

“ I’ll never forget swimming in the lake with you and walking into Dollar General in our bathing suits in the summer. All of the times I was so embarrassed when you would come pick me up playing loud music acting like you were so cool. I wish I could see you do that one more time. I’ll never forget all of the lessons you got to teach me and I’ll forever wish you could have taught me more. I love you Deddy, forever and always.

“ Kathy it’s been years since we use to sit at Tarrant Middle School waiting on our boys to get out of school. My thoughts and prayers are with you. Big hug.
