“ *Tommie once said he had 2 speeds; full throttle or stop, no in between. He loved the Lord and would help anyone in need. Even though he struggled physically with his feet toward the end I'm thankful he's now dancing in heaven.*

God has called you home and I know that you have some very special people waiting on you so go hug your Dad and give Leslie a big hug for me. Tommie I pray that you rest in peace. Another angel entered into heavens gates.
