“ My father, Harlan "Red" Brown told me a few years before he died in 2019, "I've had very few real friends in my life, but Truman Reeves is one of them."

I think that in many ways my father believed that Truman was his best friend. The true friend that he could count on if ever really needed someone to come to his aid. Truman was a friend to our entire family. He will be forever missed. May he rest in peace.
