“ I can hardly believe she is gone. I spoke with her just a few days ago and we had a good visit. We loved Vanessa and she was always so sweet to me. She has been a part of the Collier family for so long and how fortunate we are to have had her. I will always remember her smile and the way she cared for all around her. I will miss our chats and visits sweet Vanessa and you will always have a place in my heart.

To Charlie and Jessica I am so sorry for your loss. Remember the good times with her. She loved you both so very much.

“ Vanessa always treated me as if I was one of her own children. (I'm best friend's with Vanessa's daughter, Jessica) She was so welcoming and just made me feel like I was at home each time we came to visit. I have so many fun memories with her and I will always remember how funny she was. Jessica and Charlie, I love you both dearly and you know I'll always be here for you guys.

“ Vanessa and Greg treated us like family when we joined the church they attended. She loved on my kids like they were her own and kept them many times. Her home was opened to us at any time. She was in a group called the YaYa's and we ladies traveled, loved and laughed together. I cherish all the memories of parties at the lake, church services, meals, beach trips and rolling yards together. At the Amason home she is thought of fondly.
