“ *I did not have the privilege of personality knowing Mrs Vera, but I know her daughter Tracy. I could tell Tracy loved her mother dearly and cared greatly for her. If my best friend Tracy is like her mom I wished I had met her. She did a wonderful job raising her children because they turned out to be special adults. I am praying for the family and that they know she is in a much better place. I look forward to meeting her in heaven.* *Katherine (cat) Williams*
