“ Virginia was my neighbor for about 2 years. We enjoyed spending time talking and laughing. After she got sick there were about 8 neighbor ladies that would gather on her porch when she came out to sit, and we talked and laughed just about everyday. It seemed to keep her spirits up. She enjoyed it so much. She will be missed by all of us. We also learned to love her family, and what a family they were, they took such good care of her, and we learned to love them too!! May God give you peace and comfort in the days and weeks ahead. We Love you ALL.
