“ *Aunt Sue was one of the first people to teach me to laugh when things weren't going good. she would say "God is in control don't worry about it".*

She taught me not to worry about what others may say just do what's right!

She taught me to shuck corn down in Papa's barn and how to go the creek without getting caught by Granny.

She always brought the best FIREWORKS from Alabama to Georgia!

Are there fireworks in Heaven?

Sue was a dear sweet friend of mine for over 55 years. We have been separated by distance for most of these years but our bond was formed when we met at a church in the McCalla area and worked together in Bible School and other functions. My son's name is Christopher. Sue assured me she was going to name her soon to be born child Christopher if she had a son. So we have Christopher Crumpton. Thank you Sue. What a testimonial to my family. Christopher, Michelle and I dearly loved you and yours. If Norris were still here with us, he would have the same testament. Prayers with your family and friends as we, with God's help, adjust our lives without you. Sandra Curtis and family.

“ Sue and I have been friends since high school, and went to church together; our children grew up together, so it's like we have been family. I will really miss her until I see her again. Gail Dennis Swindle
