“ I worked with Bill at Commercial for a few years and watched him take his old school typesetting skills and move them into the digital age. He was so easy to train and a awesome person to work with. He loved his tigers and didn't mind letting me know either. Tailgating and wind creek trips are a few things I remember along with his NASCAR and Football boards at work always kept everyone having fun. We will always miss you Bill! Rest In Peace ole Friend!!
