“ *I've had hard time processing our lost & heavens gain... But this man was a mentor, like a father to me, grandfather of my three kids, grandfather to my four grandchildren, my boss (at times) & definitely had great impact on my life. He is greatly missed but held forever in my heart. I just now could even share on here...but there was only one like him - until we meet again*

“ So sorry to hear of Billy Joe's passing. We graduated from Bessemer High School together. He was always a friendly person to his classmates. We were always happy to see him at our reunions.

Billy Joe had a wonderful smile. God rest his soul and give his family comfort during this time and the coming days. --Vanessa Odom, BHS 1963, Currently Fort Worth, TX.

I met Billy Joe shortly after he returned home from the service. A friend of mine told me about a guy who did vintage car restorations in McCalla. I went out to meet him in a little garage in Billy's pasture one day. That day began our friendship, I bought old Model A Fords and horse traded vintage cars with Billy Joe through out our 49 year friendship with me and my brother Anthony. I gave Billy Joe the nickname of "Dirt Road Dude" and we would laugh about it. My brother and I will miss our lifelong friendship. May you Rest In Peace, Dear friend.

I met Billy Joe at a Bessemer Business in 1998. He had just traded for some land with Joe McFarland about 50 acres. He gave me my first deal in Real Estate. He did not know me and I did not know him but he trusted me and thus a life long friend ship ensued. He was what the term ENTREPRENEURSHIP was about. To his family I offer my sincere Condolences.
