“ *Mr.Demott had my upmost respect as a man. I watched him be a great dad and grandfather. I saw the love that he had for Sherry and Bradon. He showed all men with children and grandchildren on how to love and support your family. We have lost a class act man of great morals and character. My greatest sympathies to this great mans family. “ *My daddy was the greatest man I knew. He was always there for me and my boys no matter what. He wasn't always good at telling us he loved us but he showed us daily. He wasn't just a father to me but to my children. I miss him so much. I love you daddy!* ”
