William Kenneth Hall, 78, passed away Sunday October 29th after a brief illness. He is also survived by his five grandchildren, Hannah (Benken) Norman, Carolyn Benken, Jacob Benken, Sophia Hall and Wade Hall. Along with many nieces and nephews. Ken was a dearly loved man that will be deeply missed by so many. Ken was a graduate of University of Alabama in Chemical Engineering. Ken had a successful career in the corporate world, but his real success was that of a husband, father, grandfather (a role he took very seriously) and loving friend to so many. His death leaves a profound sadness in the hearts of all that were lucky enough to have known him. His service will be held at Bellview Baptist Church in McCalla, Saturday November 4th, at 2pm. Visiting hours will be from 1pm to 2pm. The family asks that in lieu of flowers please make a donation in his name to the American Cancer Society or a favorite charity.

“ I worked for Ken at Oxy’s plant in Montague, MI. He was driven to succeed and was a leader who listened to his employees. I really enjoyed my 3 years working with Ken. So sorry Wista for your loss. Prayers are with you and your family. God Bless.
