“ Papa ,I was remembering you tonight. I miss you so much! I did it PaPa I finished electrician school. Scott gave me a couple of your tools you used. I think about you every time I use them. I'm working hard to make you proud. I work everyday and read my Bible and pray just like you taught me. I have so many stories to tell you in heaven one day. I love papa,James

“ I praise God for the honor of knowing you papa! Papa is an amazing man of God ,mentor to his children and grandchildren and patriot! I can't begin to express my gratitude for all the lessons papa taught my son.

Papa was an unbelievable blessing and joy in our lives!

I will miss hearing James in his loudest inside voice saying "hhhheeeeyyyyy my papa" every afternoon . Beautiful memories follow papa for his love for everyone in his life! No family could ask for a better man to love and guide them!!

Thank you Lord for the honor of knowing papa and allowing us to be part of his life!!

We celebrate today and always the life of papa and all the love he gave all who know him.
