“ Miss you mamaw. I can still walk through your house in my mind as if I was really standing there. I can see papaw grilling catfish and me trying to steal Dr Pepper from your mini fridge. I can see you watching the braves games. Oh how I've missed your eggs, biscuit & gravy, and cornbread!! Catching lightening bugs and getting to sleepover at your house was so much fun! And even though we haven't seen each other in a long time you have never been far from my mind. Love Ansley (Matt & Maxson)
